Summer Camp locations and dates TBD

*Early Learning instructional days are based on the District Calendar. Please note that not all campuses will be open on Professional In-Service Days and Holidays. For your convenience, the Early Learning programs may be open during the extended Holiday Breaks identified above at locations to be determined. We require a minimum of 25 children to open for the non-instructional days. We require a week's advance notice if your child will be attending on these days so we may plan accordingly. Campus locations will be determined based on enrollment and staff availability. Should an Emergency Closure need to take place (i.e., inclement weather), we will follow the same procedures as the District.
