

# EARLY LEARNING PROGRAM!

**ENROLL TODAY IN OUR EARLY LEARNING PROGRAM FOR THE BEST LEARNING EXPERIENCE FOR YOUR CHILD!**

We combine technology, music, imagination, and play with our innovative curriculum that is driven by play and hands-on activities. The environment created in our classrooms provides opportunities for all students to develop memories of compassion, inspiration and affirmation which lays the basis for a love of life and lifelong learning. We believe that the ultimate learning environment must be full of excitement and fun for all students.

We have limited space for the following age groups: VPK, PreK3, Two year olds  
(at select locations)

**WE HAVE 9 PLATO ACADEMY PRESCHOOL LOCATIONS:**
